McCONNACHIE**

What are you currently watching on “television”? Yellowstone.

Rock, country or hip hop? Usually country. Depends really.

Facebook, Twitter, Insta or Snapchat? Insta.

What song or artist do you like but rarely admit to liking? I’ve had Teddy Geiger’s “For You I Will” stuck in my head for the past week.

What’s your favourite drink? Chocolate milk. Unless we’re talking boozy drink, then I’d have to say Jameson on the rocks.

What hobby would you get into if time and money weren’t an issue? I’d like to get into cross-country eventing a little more. I had my first taste of it this summer, and now I’m hooked!

What is something that could be considered a luxury that you don’t think you could live without? My horse. LOL.

Where is the most interesting place you’ve ever been? Chernobyl was definitely interesting. The Skeleton Coast in Namibia too. Actually everything in Namibia is interesting and everyone should go. I promise, no place will confuse you more.

What place do you never want to go back to? Morocco, without a doubt. We couldn’t walk anywhere without people trying to scam us.

What fictional place would you most like to visit? Easiest question, Hogwarts.

Do you have a party trick? I can touch the tip of my nose with my tongue.

What takes up too much of your time? Social media.

If you could live in any city for the next year, where would you choose? Phnom Penh or Cape Town. I'm not picky. ;)

If all jobs had the same pay and hours, what job would you like to have? I'd probably be working with horses.

What do you regret not doing or starting when you were younger? Nothing! I accomplished all of my big life goals by the time I was 26 so now at the age of 30 I feel comfortable starting to step into adulthood.

What age do you wish you could permanently be? 25 was my favourite year so I'll go with that.

What would your last meal be if you knew you were going to die tonight? Probably the crespelle, the tagliatelle and the involtini from "the nose". Maybe finished with my Aunt's strawberry trifle.

Who's your go to band or artist when you can't decide on something to listen to? Gregory Alan Isakov, I never get sick of him.

What one thing do you really want but can't afford? A house.

What's the single best day on the calendar? March 17th. St. Patty's Day is the most wonderful time of the year!

What are you really good at, but are kind of embarrassed that you are good at it? Mid-day naps?

What is something you think everyone should do at least once in their lives? Travel.
